

IMMACULATE CONCEPTION PARISH SCHOOL

TRADITION, PRIDE, EXCELLENCE

Sept 7, 2018

Welcome (or Welcome Back) to IC School!

Every two weeks, except for vacation times, every IC Family receives a newsletter. This is our way to keep you informed, not only with what is happening in your child's classroom, but throughout the school.

I invite you to read it, share it with friends, and ask your children about the many wonderful events happening at our school.

CHECK OUT OUR SHINY FLOOR!!!

We are getting ready for a fantastic school year in Physical Education class. Mr. and Mrs. Leone are excited to begin seeing the children! On Monday, Sept 10, we will start our specialist classes! Mrs. Sherr, our computer teachers, Mr. Lacharite, our new music teacher and Mr. Toranzo, our Spanish teacher have all been here this week getting things ready for every one. We are in the process of hiring our new art teacher, so that announcement will have to wait until the next edition of our newsletter!

FIRST DAY OF SCHOOL!

PICS

The Parents of Immaculate Conception (PICS) is a parent board that helps our school with all types of fun events: fundraising, parties, Catholic Schools Week events and many many others. Any families interested in becoming a member of the PICS board, please email Susan Summa at suedotq@aol.com
