November 1, 2020

Dear Parents of Immaculate Conception Parish School:

As I stated in my previous letter on October 23rd, that if another COVID-19 case were to happen in the next week or two, the school may go remote. Unfortunately, three family members from Immaculate Conception School tested positive over the weekend for COVID-19.

As a precaution in keeping our school safe we are following the recommendation of the Revere Department of Public Health to quarantine Immaculate Conception School for the next two weeks (November 2nd to November 13th). I will keep you posted if we need to continue to teach remotely beyond November 13th. We must take every precaution to keep our families safe and healthy. The Revere Department of Public Health encourages all parents, students, and school faculty and staff to get tested.

Since all the classes need to go remote, teachers and students will use Monday, November 2nd to adapt to the change. Teachers will communicate with the parents and students on what will happen on Monday. We will remotely follow the regular school schedule on Tuesday, November 3rd.

Although the school will go remote beginning Monday, November 2nd, you may call the school number because it will go directly to the School Secretary's phone line. If you have any questions, you may email Nurse Sarah or Nurse Jordan at sclavijio@icrevere.org or jkeels@icrevere.org.

Yours in Christ,

Stephen P. Hanley
