Dear Parents and Guardians:

- During Lent the students from K to 8 will participate in the journey of Jesus Christ in the Stations of the Cross each week in Father Brennan Hall.
- If your schedule permits, you are always most welcome to attend Mass with the students from Kindergarten to 8th Grade. The next Mass will be celebrated on Friday, March 6th at 9:00 am.
- Please remember that Friday, March 6th is early dismissal.
- Please check the IC website at icrevere.org to know what's happening and happened at your child's wonderful school.
- There will be various activities and field trips happening for the various grades during the upcoming weeks. It will be exciting time of year for all.
- There are some families who are not registered on REMIND. This is a very important way of communicating with you on events, updates and alerts. Please call the School Secretary, Ms. Urrego at 781-284-0519.
- Remember students may come back to the school to pick up something they forgotten until 2:45 p.m. After 2:45 pm, students cannot return to the school to pick up homework, lost item or a book. They must wait until the school opens in the morning.
- There will be an important meeting that parents and guardians need to attend about Immaculate Conception Parish School on Wednesday, March 11, 2020. The meeting will be held in Father Brennan Hall. You may attend at 2:45 pm or at 5:45 pm. We have important news to share with you.
- The Pot of Gold fundraiser and dinner will be on Saturday, March 21st and the school will be sending you a flyer and the ticket you purchased through your tuition payment. Additional tickets will be available at the assembly on Wednesday, March 11th.
- Let's remember the Sisters of St. Joseph on St. Joseph's feast day on March 19th. The Sisters of St. Joseph taught at Immaculate Conception School for approximately 100 years.

Let's extend our support to our wonderful Girls Basketball team. They will be playing in the State Tournament tonight at Austin Prep at 8:00 pm.

Yours in Christ,

Stephen P. Hanley
