Mission Statement

The Immaculate Conception Parish School in Revere prepares a culturally diverse student community to become responsible, well-rounded, faith-filled citizens by focusing on Catholic values and high academic standards. Our school celebrates its faith by practicing the ideals of peace, justice, and service to others, thereby witnessing to Christ's teachings.

Philosophy

As strong advocates of the home-school partnership, Immaculate Conception School in Revere exists primarily to develop and enrich the full potential of children, intellectually, spiritually, socially, and physically. Consequently, the staff provides the highest quality of learning in order that students may eventually contribute to society as witnesses to the teachings of Christ in thought, word, and action. Moreover, by instilling a sense of responsibility and high self-esteem, students acquire the skills necessary to resolve conflicts in a non-violent manner.

This total effort must be experienced in the light of Christ's truths and society's changing needs. These beliefs become a reality when pastor, principal, faculty, parents, students, and support staff work together fully and collaboratively. This shared responsibility then ensures students' success.

1. Before school, parents may drop off children in the school yard beginning at 7:45 a.m. They will be supervised by a member of the IC faculty beginning at 7:45 A.M.; **therefore, no child should be dropped off before 7:45 A.M.** Early students go into building when the weather is inclement.
2. Once children enter the school yard in the morning, they are not to leave the school grounds.
3. Students will line up with their class before entering the school building. Each class has a designated area in which to form a line.
4. **A student will be considered tardy if he or she is not in his/her classroom by 8:05 A.M.** Tardiness, as well as absences, appear on the student's report card. Also, all teachers give students assignments before class in the morning. If your child is late, he or she will miss much of this work.
5. Parents must not block school exits. Please wait outside school. Parking in the school yard is NOT permitted. This applies both to before school and at dismissal. Please do not double park or block any other vehicles or driveways on any of the streets surrounding the school. Parents are to park in the church parking lot. Please respect other people's property and do not use the handicapped parking spots designated for those who need them. Also, please be aware of the fire lanes as they need to be clear in case of an emergency.
6. Because of the congestion in this building, parents are asked to wait for their children outside the building. No parent is permitted in the white line rectangle outside the school entrance door. By staying outside the white lines, the students can enter and exit the building safely.
7. **After dismissal**, if a student has not been picked up by 2:45 P.M., he/she will be sent to after-care program. This program has been also called after school program and after fun for pre-school to kindergarten.

Student Pickup Policy for Preschool and Pre-kindergarten

To avoid confusion at dismissal time, the following policy is in effect immediately:

No student will be released to anyone other than the parent, guardian, or designated person unless a written note is sent in that morning. For safety sake, there will be no exceptions to this rule. Consequently, please make your arrangements prior to school so that you have adequate time to write a note to the teacher. In the case of an emergency, contact the school office.

Admission Policy

Introduction

“Young people of the third millennium must be a source of energy and leadership in our Church and our nation. Therefore, we must provide young people with an academically rigorous and doctrinally sound program of education and faith formation designed to strengthen their union with Christ and his Church.” (“Why We Value Our Catholic Elementary and Secondary Schools,” *Renewing Our Commitment to Catholic Elementary and Secondary Schools in the Third Millennium*, United States Conference of Catholic Bishops, Inc., 2005.) **Archdiocese of Boston – Catholic Schools Admission Policy**

The goal of our Catholic School is to present the Catholic faith and Catholic teaching to our students in a challenging academic, spiritual, and moral education program. Catholic school students strive for high academic achievement, are taught to love and worship God, and live the Gospel teachings. Catholic school students work together, build community, and give service to others. Our schools welcome and do not discriminate against or exclude any categories of students. Admission is dependent both on academic qualifications and the desire to promote what is in the best interest of the student.

The Immaculate Conception School in Revere does not discriminate on the basis of race, sex, or national origin. Reasonable accommodations that exist at Immaculate Conception, or can become available for children who may physically need them, will be used to assist the child to access a Catholic education at Immaculate Conception School.

IC does give preference in admission to students in the following order:

1. Siblings of IC students.
2. Catholic children living within city boundaries.
3. Catholic children living outside of city boundaries.
4. Non-Catholic children.

Accidents and Illness

It is imperative for the school to have information as to where the parents or other responsible adults can be reached in case of illness or accidents at school. This information is requested on the opening day of school. If the emergency card information should change during the school year, you must notify the office immediately.

In the event a student becomes ill or injured at school, the school office will attempt to contact the parents or guardians and emergency names immediately. In case of a serious accident when no one can be reached, the school office will call the proper authorities for emergency assistance and put the matter in their hands.

Information regarding chronic illness (asthma, diabetes, etc.), which might require attention during school hours must be on file in the office.

Any child with a fever or vomiting must be kept home for 24 hours after the fever breaks, and or after the vomiting ceases.

The office must be notified if a student is on any drug or if a student has a medical problem or any disability. In order for a student to take cough drops in the course of the school day, parents or guardians must send in a written

note for the day on which this special permission is granted.

Our staff is not permitted to dispense any type of medical treatment other than First Aid. Staff may be trained to do so if the need arises; for example, a staff person may learn how to use an epi-pen. All medications must be kept in the office. Medication cannot be transported to and from school by the student. It will only be accepted from and returned to the parent or guardian. All over-the-counter and prescription medication must be administered by the parent.

Athletic Eligibility

1. A student who receives a disciplinary detention will be suspended for a practice. If the same student receives a 2nd disciplinary detention, he or she will then be suspended for a game (which would entail sitting on the bench in “regular” clothes). In the case of a 3rd disciplinary detention, that student will be removed from the team for the remainder of the year.
2. A student who has a “D” average in any core subject should be making every effort to go for extra help, tutoring, and/or completing extra credit. If the student is not making any attempt to bring his or her grade up, then he or she will miss practice. The student will be required to attend the game but have to sit on the bench.
3. If a student receives a “D” on his or her report card and works to his or her full potential, seeks help, and attends/completes tutoring or extra credit, the principal will address the situation and decide what would be in the best interest of the student. The student will remain on probation. Athletic suspension could occur if grades drop lower or student does not seek the necessary help. If a student is suspended from the team, the athletic suspension will remain in effect until the grade has been brought up to a passing level.
4. If a student is absent from school or dismissed prior to 11 A.M., then he or she will be unable to attend any practice or games on that same day. If the dismissal or absence takes place on a Friday, then the student will be suspended from any weekend practices or games.

Conduct at all games must be satisfactory in order to be a member of the team. Students must show respect to all sports directors and instructors. Any form of disrespect will be subject to school disciplinary rules.

Honor Roll

In order to be eligible for the Honor Roll, students in Grades 6-8 must achieve all A and B grades in their academic subjects and have earned satisfactory comments in all classes. High Honors is awarded to students who have achieved all A's.

Attendance/Dismissal/Tardiness

Massachusetts General Law Chapter 76, Section 2, states that it is the duty of parents/guardians to assure that children attend school regularly.

1. No student should be absent without sufficient reason. Students in violation of this law, without proper medical excuses, are reported to the Superintendent of Schools for the city in which they live and are also reported to D.C.F.
2. It is important that students be present each day that school is in session unless illness or other serious reasons prevent attendance. Students who have been absent are required to present a form filled out properly by their parent or guardian to the teacher on the day they return.
3. Any student absent with a communicable disease is required to produce medical documentation in order to

return to school. An absence of three (3) or more consecutive days requires completion of medical documentation. No student will be admitted to school without the necessary documentation.

4. Students are held responsible for work missed due to absence. All work must be made up to the satisfaction of the individual teachers involved. If a student is not in attendance, **parents MUST report the absence and the reason by calling or emailing the school office before 9:00 A.M. Children are responsible for meeting with their teachers to review missed assignments and to develop a schedule for completing the work.**
5. **Vacationing during school time is unacceptable and not allowed.** Therefore, no teacher will provide work prior to this absence or assign work to be completed during the unauthorized vacation. Homework and class work missed due to traveling can only be made up by independently completing the work within five days. If a student requires extra help to complete the work, he or she may join the teacher's regularly scheduled help sessions. Tests and quizzes missed during traveling may be made up within the five days, but will have 20 points deducted automatically.
6. **Absences:** Students who accumulate more than seven (7) unexcused absences in a trimester will receive a grade of 59% for any course average greater than 59%. Similarly, students not in attendance more than twenty-one (21) days in a year-long course will receive a 59% for all course averages greater than 59%, may be excluded from participating in year-end activities, and will be considered for retention.

Clarification of "Excused" Absence Policy

Absences are excused for the following reasons:

1. Death in the family
2. Mandated court appearance as either victim or a witness

Generally, medical reasons are not excused absences. The first day of consecutive absences is never excused. If a student has a doctor's note for two or more consecutive days, this may be considered by the principal as one incident and therefore as an absence of one day.

Absences and dismissals for routine physicals or dental visits are not excused.

Students absent from school may not be eligible to participate in any after-school activity on the day of the absence. Excessive absences may be reported to the attendance office for further action, which may include but is not limited to intervention by the Department of Children and Families.

Dismissals: Any dismissal prior to 11:00 A.M. is legally an absence. If a student must be dismissed, he or she must bring in the appropriate form signed by a parent or guardian. An adult must pick the child up in the school office; no student will be allowed to walk home during the school day. If an adult other than the parent or guardian is to pick the student up, written authorization must be submitted to the office. Remember that any adult that you have listed on the student's emergency card is a person who is authorized to accept the early release of the student.

When an early dismissal is required for a specific, as well as a legitimate reason, the student must bring in the appropriate form signed by the parent or guardian. Early dismissals or late arrivals for doctor and/or dental appointments are discouraged; please try to make these times after school hours. Dismissals must be recorded on all attendance records.

When a student is to be dismissed, an adult must pick up the student at the school office. The student will not be allowed to walk home during the school day. We must have written permission from the parent or guardian before we will allow a student to be dismissed to another adult. No student will be dismissed for an appointment without a completed dismissal form.

Tardiness:

1. Students are considered tardy if they are not in their class room by 8:05 A.M.
2. There are times when tardiness is not the fault of the student, so we ask your cooperation in assisting us in getting your child(ren) to school on time.
3. Any student who is tardy must report to the office.
4. Students in grade 3, for every five (5) unexcused tardies, a twenty minute detention will be given. Students in grades 4-8, for every five (5) unexcused tardies, a thirty minute detention will be given. After excessive tardiness, a meeting with the student's parents and Principal will be scheduled to discuss tardiness.

Birthday Celebrations/Parties

Birthday and party invitations are not to be given out during the school day or on the school grounds. All invitations are to be handled at home. Because of assorted allergies, birthday cupcakes for **grades 1-8 are not permitted**.

Books and Book Bags

Students are responsible for the school text books and other learning materials entrusted to them. All textbooks must be covered at all times, and students will be required to pay for any form of defacement or loss. Bindings, hard and soft, of all school books must be protected. All books must be kept free of added sheets of paper. Parents are asked to see that their children use a school bag and recover their books when necessary. Oversized bags will not fit in our small closets.

Change of Address/Telephone

Please notify the secretary immediately if you should have a change in address or telephone number. This also applies to your work and emergency numbers.

Conferences

Any parent is free to make an appointment to meet with any teacher by writing or emailing for a conference. To contact the principal for an appointment, please call the office. Please contact teachers at school, not their homes. No teacher is permitted to see parents during school hours.

Courtesy

Courtesy has often been defined as a sensitive awareness of the feelings of others. Today, more than ever, in our fast paced world it is very important that we constantly remind the children of respect for their elders. It is also of great importance that they give respect to their fellow students. When passing by another elder or student in the halls a courteous greeting needs to be given.

Emergency Closing Information

In case of severe weather conditions and emergency closings, we follow the **Revere Public Schools School Cancellation Policy**. Please do not call the school. If it becomes necessary to close school, the following television stations/website will be notified to make the announcements:

WCVB - Channel 5- <http://www.wcvb.com/weather/closings> In the event of an emergency while school is in session (i.e. snow storm, lack of heat, etc.), parents must provide an alternative place for students. We will make every effort to contact parents and also to make media announcements.

Faculty Meetings & Workshops

Professional Days and early dismissals for faculty meetings will be noted on the monthly calendar. When school is dismissed at 11:30 A.M., please be sure your child is picked up promptly or he/she will be sent to after-care.

Field Trips/School Functions

1. If a student is absent or dismissed due to illness, he or she is not allowed to attend after school events.
2. Field trips are an important part of the learning process and, therefore, are mandatory. If we do not receive an official school permission slip from your child, he/she will not be allowed to attend the trip. We will not call a parent on the day of a field trip if we have not received the student's signed permission slip. The student will remain at the school in another classroom. By law, the school cannot let a student out of the building without signed parental permission. **If a student is unable to attend for any reason, the teacher will assign an appropriate project in lieu of participating or attending the trip.**
3. Parents who are asked to be chaperones are required to stay with the children to whom they are assigned. Chaperones need to have cleared a CORI check. No student should be left out of the eyesight of the chaperone to whom he or she has been assigned. This is for legal protection of the school and the chaperone. Chaperones are asked to be aware of the rules and regulations of the school and enforce them even outside of the building.
4. All field trips and school functions are an extension of school policy. All school rules are in effect unless otherwise noted.
5. Any student who is not current with immunizations will not be allowed to participate in any field trip per the Revere Board of Health.

Physical Education

Physical education is a school requirement; all children are expected to participate unless we have a notice from the parent or doctor.

Children must wear gym uniforms to school on their assigned Gym day. See page 15 for uniform information.

Health

All health records are reviewed by the City of Revere's Public Health Nurse. You will receive a letter from her when information is missing or needs updating in your child's health record.

Any student requiring medication must have a form signed by his/her physician. The medication must be accompanied by the prescription and dispensing information. The medication must be kept in the nurse's station cabinet. **No student may carry medication with them.**

State required immunizations:

<i>Grade</i>	<i>Immunizations</i>

	3 Hepatitis B	3 Polio	
Kindergarten	5 DTaP/DTP	2 MMR	4 Polio
	3 Hepatitis B	2 Varicella	
Seventh Grade	3 Hepatitis B	4 DTaP	3 Polio
	2 Varicella	2 MMR	1 Tdap

Homework

It is the responsibility of the students to accept the fact that purposeful home assignments are part of the school program and should be completed on time. Parents can help their children by providing a place for work and study, where conditions are as favorable as possible. Parents can also adopt an attitude of encouragement toward home assignments by helping their children work out a realistic study schedule. It is very important that the student develop good independent study habits and learn responsibility. Once school has begun, homework/projects will not be accepted from parents. **No student may re-enter the building after 2:45 P.M. to retrieve forgotten homework.** No student may call to have their homework or class materials brought into school. The school wishes to encourage responsibility for homework on the student's part.

Homework assignments should be written in the assignment book provided by the school for grades 2-8. **This is the first place for parents to look for homework.**

Homework will not be provided for absenteeism of 1-3 days. In case of long term illness for more than 3 days, teachers will work with the parent and student regarding the homework assignments. Each school day, homework is posted on schoolnotes.com and gradebook wizard.com for middle school.

Computer/Library Center

Our Computer/Library Center is supplied with laptops, flat screen, internet, books, magazines, encyclopedias and various reference materials. Grades K-5 have two weekly computer/library periods. We encourage students to use the resources for enjoyment as well as for completing assignments. Parents will be expected to pay for lost or damaged books.

The Computer/Library Center is a place to acquire computer literacy skills, conduct research and have quiet reading time. Students who abuse the privilege of its use by misbehaving or who fail to return books or pay fines after repeated reminders will forfeit their library privilege.

Lunch Period

Lunch A (Grades 3, 4, and 5) 10:45 a.m. to 11:25 a.m.

Lunch B (Grades 6, 7, and 8) 11:30 a.m. to 12:05 p.m.

Students are **required to bring any necessary plastic utensils (no knives)** for lunch each day.

Carbonated drinks, coffee, tea, cocoa and glass containers are not allowed in school. No fast food style lunches are to be delivered to students in school.

Cafeteria

All school rules of behavior apply to the cafeteria. Specifically, in relation to the cafeteria, are the following rules:

1. Deposit all lunch litter in wastebaskets.
2. Leave the table and floor around the student's place in clean condition.
3. All food must remain in the cafeteria.
4. Cooperate fully with adult supervising.
5. For safety reasons, all students must exit cafeteria silently.

Recess

The school takes its responsibility for each child's safety quite seriously. Students are expected to respect the safety and rights of other students. Those students who repeatedly endanger the safety of others by excessive roughness on the playground will be asked to forfeit their play time. On certain rare occasions, parents may request in writing that their child remain indoors during break. Each request will be handled individually by the Principal.

Yard Rules

Due to the number of students using the school yard at one time, the following rules will be enforced to promote safety and order.

1. In the morning students should remain in the school yard until the bell rings. Before school and at dismissal, no ball playing or running is allowed. On rainy days and/or in extremely cold weather special arrangements will be made to allow students to enter the building before the bell rings.

- Gray school gym tee shirt.
- Navy gym sweat shirt to be worn only on gym day.
- White Athletic socks.

Optional (until October 31 & and after April 30):

- School shorts

Personal Appearance

Good dress habits go hand in hand with good work habits. Students are to be neat, clean, and dressed appropriately for school. Neat hair styles are part of good grooming. The obligation of having the child's hair style conform to school regulations lies with you, the parents, not with the school faculty. We count on you to see that the hair is always trimmed. No excessively long hair will be allowed. Hair must be clean and no longer than the collar in the back (boys) and away from the eyes. Hair decorations should be subtle and tasteful. This policy applies from Grades K to 8. Hats, for boys and girls, cannot be worn inside the school building.

Dress-Down Day Guidelines:

Dress-down days are an opportunity for the students to come to school in more casual, informal attire. While, we enjoy seeing the students in regular clothes, we request that parents or guardians adhere to dress code guidelines, especially on these days. The casual attire must be modest, safe, and appropriate for a Catholic School environment. Sandals/flip flops are dangerous on the stairs and fire escapes, and are not permitted at any time, including dress-down days. Shoes must be safe. For safety reasons, sandals and Crocs are not allowed. Shorts and skirts must touch the top of the knee. No short shorts, extreme mini-skirts, muscle shirts, cold shoulder tops, torn jeans, crop tops, logo T-shirts, or form fitting spandex may be worn on Dress-down days.

Gym clothing is acceptable dress-down day attire.

God's Word encourages modest dressing. Clothing that is in any way too revealing or otherwise inappropriate does not belong in a Catholic school setting. A complete list of inappropriate styles is too far-reaching to produce, and styles change constantly. Therefore, please remember that the best school environment is conducive to learning and free of unnecessary distractions, including those that inappropriate clothing may cause.

Any student who is not dressed in the appropriate school uniform or who is in violation of the dress code, including the school policies on make-up and hair, will be subject to disciplinary measures. Parents

may also be called to pick up their child and take him/her home to change. Uniform code will be enforced, and we ask parents' assistance in enforcing the dress code of the school.

Reporting Progress & Testing

The school year is divided into trimesters. At the close of each trimester, report cards will be issued. If a student is performing less than satisfactorily, a progress report will be issued mid-term.

It is good policy to check for regular class tests results, and if the teacher requests a signature please sign. Students in Grades K-8 receive an Interim Assessment in the fall and spring, as well as regular classroom testing. All report cards for grades K-8 must be signed by a parent/guardian and returned to the teacher.

Summer Sessions

If a student in grades 3-8 fails any subject, that child will be required to attend an accredited summer school or be tutored by a certified teacher for an amount of class time equal to that of an accredited summer school.

Students who enroll in summer remediation programs must provide proof of attendance, completion, and achievement.

If any student receives more than two F's as a final grade, the student will be retained.

Registration Procedures

To be eligible for Kindergarten, the child must be 5 (five) years old by August 31.

To be eligible for Pre-kindergarten the child must be 4 (four) years old by August 31 and toilet trained.

To be eligible for Preschool, the child must be 3 (three) years old by August 31 and toilet trained.

New students entering any grade must present the following at the time of registration:

1. Birth Certificate
2. Baptismal Certificate
3. Report cards, test results, and a transfer card if the child enters any grade after Kindergarten.
4. A record of immunizations, boosters, and illnesses or allergies.
5. New admissions for grades 1-8 require an interview, a placement test, a copy of the most recent report card, and MCAS scores (or other standardized test scores).

CONDUCT CODE

School discipline is a must if learning is to take place. A respectful, responsible, and Christian attitude is expected at all times at The Immaculate Conception School for all students. Therefore, there will be ZERO TOLERANCE at school and school-sponsored activities for any of the following behaviors that are contrary to the school mission and violate the Conduct Code:

- Bodily injury to another
- Bullying (Bullying Policy and Reporting Procedure is on the IC web-site under Students)
- Fighting
- Foul Language
- Gross disrespect (to the principal, teacher, parent or any other person)
- Continuously disruptive behavior in class, halls, cafeteria, or in the school

DISCIPLINARY ACTIONS

The severity of the offense will determine which of these disciplinary actions to be taken.

Detention
Teacher/Parent/Child Conference
In-house Suspension
Principal/Pastor/Family Conference
Expulsion

Self-discipline

Continual lack of growth in self-discipline disturbs the learning atmosphere in our school and infringes on the rights of other students. Some specific examples of lack of self discipline follow:

1. Failure to listen to teachers
2. Frequent acts of disobedience or disrespect
3. Continual disregard for dress code
4. Chewing gum at any time on the school premises
5. Frequent tardiness to school or class
6. Plagiarism is copying anything or taking the information from the internet, book, magazine, newspaper article, etc., and claiming it is the student's work. To avoid plagiarism, the student must use quotation marks and cite the sources, and give credit to the author.
7. Cheating is copying another student's homework, assignment, test or quiz. To avoid cheating, the student must practice the skill and independently complete a test or quiz.
8. Leaving the school premises without permission.
9. Vandalism to books, equipment, buildings and grounds, or theft.
10. Making threats/fighting/swearing.
11. Possession of a weapon, alcohol, drugs, or smoking of any substance. This example is a list of more serious offenses, which would result in expulsion.
12. Throwing anything at people, vehicles, or school property
13. Any type of disturbance on a bus, thereby endangering the safety of others.

Use of electric or electronic items is not allowed on school property, in the building, or in class during school hours. These items may **not** be used during after school clubs, detentions, or classroom activities, either. The following list is not inclusive, but is meant to suggest the types of items that are not permitted during the school day.

1. For grades 4-8, cell phones will be collected in the morning and returned to students at the end of the school day.
2. For grades 1-3 cell phones will be turned off when in school and left in their backpacks.
3. No cell phones and tablets allowed during afterschool program.
4. No electronic, wireless equipment, or electronic games.

Should a student use any of the items during school, they will be confiscated and returned at the end of the day.

The school office phone is available to students to call their parents/guardians for important matters only. The phone cannot be used to arrange for the delivery of homework, classwork, or other materials.

Respect

The teachers and Principal need the support of all the parents and guardians. We are partners in the education, training, and moral development of our student body. We all are striving for the same goals. It is important that there be complete unity in authority between parents, guardians, and teachers. It is a good policy to WITHHOLD JUDGMENT on what appears to be a problem or grievance until you receive all the facts from the proper person.

Problems discussed with neighbors and friends may not be factual at times and can hurt all involved. The final authority of all disciplinary problems will rest with the Principal.

Disrespect for teachers or others in positions of authority will not be tolerated. An effectively run school depends upon school spirit, high morale, cooperation, and mutual respect between faculty and student. A cooperative spirit ensures the best educational results.

Any parent or guardian who is verbally or physically abusive to any staff member, or otherwise behaves in a disrespectful, disruptive manner, may not be allowed on school property or in attendance at any school sponsored activities. Another family representative must be appointed as a contact guardian to deal with school matters on the student's behalf.

Channel of Communication

Since we are all human, we all make mistakes. This is IC's channel of communication for sharing information and solving problems should the need arise:

Step 1. Child and parent discuss problem/question. If no solution...

Step 2. Parent calls to arrange a meeting with the teacher involved.

Step 3. Parent, teacher, and student have a meeting. If more information is needed...

Step 4. Parent sets up an appointment with the Principal. Then...

Step 5. Parent, teacher, student, and Principal meet.

We ask that you please go through the proper channel of communication if you have any questions or problems. It is only through proper communication that questions can be answered and problems can be resolved. The Principal will not deal with any problems brought directly to the office without having gone through the proper channels.

Remember, questions, and concerns can only be addressed through school communication. You will not receive accurate information by having discussions with others not directly involved in the matter. The school will not tolerate gossip or slanderous remarks regarding teachers, students, or parents as it is not Christ-like and does not support the Catholic teachings of IC School. We are all part of God's family and as such should be treated with respect and understanding.

Discipline in Specialist Classes

(e.g., gym, music, art, library and computer)

All students are expected to give the same respect and attentiveness in the specialist classes as they do in their regular classrooms. Conduct expectations are the same in Specialist classes as they are in any class.

Fund Raising and Volunteering

Catholic schools in America have flourished for the past 200 years by the dedication and self-sacrifice of our Catholic people. They perceived value in Catholic schools and they labored to perpetuate it. That value still exists, and we will be soliciting your help in the PICS (Parents of I.C. students) Planning Committee fund raising projects and individual school sponsored fund raisers. All families are required to participate in fundraising efforts. Either a parent or guardian of each child must volunteer for a school related activity. At the beginning of each school year parents will be notified of volunteer opportunities at the school.

Public Relations

During the school year many photos are taken of the students participating in various activities. These photos are used for newspaper releases, church bulletins, the school website, and bulletin boards inside and outside of the school. If you do not wish your child's image to be included in any of these public relation contexts, kindly contact the school office during the month of September.

Notification of Asbestos Re-inspections

To: Parents and Staff of I.C. School
From: Mr. Stephen P. Hanley, Principal
Date: September 2019

In Compliance with the U.S. Environmental Protection Agency (EPA) Asbestos Hazard Emergency Response Act (AHERA), in the fall of 1988 we performed inspections of each of our school buildings for asbestos-containing building materials. The inspection findings and asbestos management plans have been on file in each school administrative office since that time.

The EPA requires us to perform re-inspection of the asbestos materials every three years. Therefore, during the designated time, accredited asbestos inspectors perform these re-inspections. An Accredited management planner reviews the results of the re-inspections.

All asbestos materials in this school are in good condition, and we will continue to manage them in place, as recommended by the accredited management planner.

The results of the re-inspection are on file in the management plan in the school's administrative office.
